Spring Creek Golf and Country Club is a private, member-owned championship club, located on 101 unique acres of ancient oaks along the Stanislaus River. Our vision is to provide a superb golf environment, exceptional member services and excellent, first-class facilities to fulfill the social and recreational desires of our members and guests.

We offer something rare for discriminating individuals - a timeless atmosphere in which to relax in a beautiful hide-away where one can spend a peaceful day with family and friends. Spring Creek Golf & Country Club was developed in 1965 and designed for the entire family. Golf tournaments, Junior events, dining, creative themed events, special wine dinners and tastings are just a sample of the year-round social and golf events that members enjoy in our casually elegant atmosphere.

A LETTER FROM OUR PRESIDENT

Bob Lee
President

Happy 2026, Spring Creek Members,

I would like to wish everyone a very Happy New Year! As we close the book on 2025 and begin the 250th anniversary of our nation's independence, there is much to celebrate—both across the country and here at Spring Creek.

It was exciting to hear that our New Year's Eve dinner welcomed over 100 attendees, a great way to ring in the new year. Upcoming will be our annual Crab Feed, another favorite event on our club calendar.

Our golf course continues to be in great condition and has been adhering to the new golf cart policy. Due to the excessive rainfall over the past couple of weeks, it has been necessary to restrict golf cart access and limit the number of carts on the course. We appreciate everyone's understanding as we work to protect the course during these conditions.

Our General Manager, Stan Korich, is coordinating a "Master Calendar" meeting on Thursday, January 8. This meeting will allow all departments and member groups the opportunity to place their respective activities onto one shared Master Calendar. The goal is to improve communication and help avoid scheduling conflicts throughout the club.

The Board held its annual orientation on January 6. This session allows both new and returning board members to take a fresh look at our budget, review committee structures, and discuss board member expectations moving forward.

We are aware that one of the televisions in the bar is currently not working. Plans are in place to replace it, and we hope to expand our viewing opportunities in the future. We waited until January to address this item as part of our commitment to being fiscally prudent

and staying within our budget.

Shea has also introduced a new software program to the club called *Unknown Golf*. This tournament pairing platform will be used for all Spring Creek G&CC tournaments, including Niners, 18-Hole Ladies, Twilights, GNOs, and more. Unknown Golf is easy to access, simplifies event sign-ups, offers live scoring, and improves overall communication for our golf events.

I will soon be announcing a new Ad Hoc Committee focused on the loss of revenues in the Bar and Grille. Concerns have been raised regarding monthly shortfalls, and I have appointed Leo Zuber to chair this committee and work closely with staff. Leo will be reaching out to others to participate in what we believe is a very important and timely conversation.

Finally, I had the pleasure of celebrating a very special milestone with one of our members, Alvie Floyd, on the occasion of his 90th birthday. Alvie and his wife, Anita, have been wonderful members of Spring Creek for many years. Alvie invited many of his Spring Creek friends to join him for a delicious lunch. Remarkably, Alvie continues to golf on Wednesdays, Fridays, and Saturdays. Thank you, Alvie and Anita, for your continued support and involvement in our club.

Wishing everyone a happy, healthy, and enjoyable start to 2026.

Bob Lee

Your 2026 Board of Directors Begins Service...

As we begin the year and your newly elected directors join those already serving, I'm compelled to candidly say a little about board service and, yes, understanding that this may sound professionally self-serving (so be it).

Like I know many of you have (or will), I too have volunteered on homeowner association boards where I have lived, including as president, as well as other boards, including the Contra Costa County YMCA Executive Board. Most enduring of course, I have worked in close support of club boards, as an important part of my chosen profession.

When it comes to volunteer service, especially within a private club setting, the initial motivation is rather universal and usually commences upon a growing desire to **give back** to that special place one has supported for so many years and has grown to love as their primary source of sport-related friendships and the memory-holder of those *good times* with family. That's all, nothing more than that really, and such is usually supported by buddies/friends who encourage them to serve. However, as many of our past volunteers will candidly confess this *give-back* time period is often a thankless, sometimes stressful endeavor that can diminish one's personal club enjoyment while serving. ...The inevitable *tap on the shoulder* in the bar or out on the course that begins almost on the very first day of service followed by that typical inquiry... "*aren't you on the board now... Got a few minutes?*"

So, what's my point? Well, I guess I wish to ask everyone to please stop, think, and be sensitive to the fact that your fellow Proprietary members who give their personal time to serve do so primarily because they care and genuinely want to make a positive difference at Spring Creek. Further, clubs are businesses and, thus, must be responsible businesses and employers, so it's important to recognize that from time-to-time directors do need to make difficult decisions for the

long-term health and stability of Spring Creek, as well as their desire to bring even more perceived value and enjoyment to the holder of membership.

Please join me, therefore, in support of our 2026 Board of Directors as they work hard on your behalf to improve upon this wonderful place for all concerned.

Your new Board Officers, Committee Chairs, and BOD meeting dates for 2026 are as follows...

Officers & Committee Chair assignments for 2026:

Business Operations: Bob Lee, **President** and Rod Reiswig, **VP**

Finance: Donna Parks, **Sec./Treasurer**

Greens: Rich Ellis

Long Range Planning: Kevin Hawes and Matt Windorski

House / Social: Tom Bair and Leo Zuber

Carts: Mike Wiebe

Membership: Rod Reiswig

January 20

February 24

March 24

April 28

May 26

June 23

July 28

August 25

- September 22
- October 27
- November 24
- December 15

Monthly Committee meetings will be scheduled as follows...

2nd Tuesday we shall hold-

- 1. Membership at 4pm
- 2. Greens at 5pm
- 3. Carts at 6pm

2nd Thursdays we shall hold-

- 1. House/Social at 4pm
- 2. Finance at 5pm
- 3. Business Op. at 6pm
- 4. Long Range is TBD
(will be timely announced/they plan to meet periodically)

Cart Travel Restriction Notes – Your Cooperation Is Very Much Appreciated

I'd like to thank our golfers, especially our many private cart owners, for supporting our Superintendent, Danny, and our Director of Golf, Shea, who are, given the recent rainstorms, executing our Club's new, elastic, condition-based policy related to cart travel restrictions.

I speak not only on behalf of Management, but for your Board and the Greens Committee when I thank you, all our cart operators, for your full cooperation in operating your golf carts strictly under those guidelines and restrictions expressed (published) from time to time by our Golf Management Team, as they en-

deavor to preserve and protect our Course surfaces while maximizing your enjoyment of the game, which we do recognize includes cart access to the maximum extent practical for a given period of time under exiting or forecasted conditions.

Thank you for your support!
...Happy New Year everyone and see you at the Club!!!

Your Manager, Stan

FOOD & BEVERAGE

Terry Martinez
Food & Beverage Director

Get ready—2026 is shaping up to be an absolute blast! The F&B team can't wait to welcome you to a year packed with unforgettable flavors, music, and member-only fun.

We're kicking things off in January with a bang:

Bingo Night on January 15th

Our Annual Crab Feed on January 23rd! \$75++

The first Wine Tasting of 2026 on January 29th, featuring 4 of the incredible Jayson Napa Valley Wines. \$30 Inclusive.

The excitement keeps rolling into early February with our **Whiskey & War Stories Dinner on February 5th**, spotlighting Spring Creek's very own **10-Year Horse Soldier Bourbon Whiskey**. Enjoy a refined dining experience paired with this limited-edition bourbon—made even more special as the Horse Soldiers themselves share the powerful story behind the brand. \$65 Inclusive includes Tasting, Signature Cocktail, Appetizers, Prix Fixe Dinner & Dessert.

On February 6th, we launch **Friday Music Nights** with live tunes from Keep on Truckin'. Then on February 7th, Families are invited to join us for a **Valentine's**

Cookie Decorating & Card-Making Night, perfect for all ages. \$12 inclusive per child includes both activities. **New Member Orientation** takes place on February 10th, featuring a meet-and-greet with the management team and tasty appetizers to welcome our newest members. **Bingo Night** returns on February 12th. And finally, celebrate love on Saturday, February 14th, with a stunning **Valentine's Dinner**, showcasing an exquisite menu crafted especially by Chef Sam. Menu to follow.

Be sure to reserve your spot for these exciting member events by contacting Stephanie in the office. We can't wait to celebrate an amazing start to 2026 with you!

We are also pleased to announce Tuesday Happy Hour from 3pm-6pm, featuring ½ off Select Appetizers, \$5 Premium Draft Beers and \$4 McManis Wine by the Glass.

Come and join us for all these great member events!

by Samantha Scroggins
Executive Chef

As we move beyond the holiday season, I would like to extend my sincere thanks to all our members who joined us for the Candlelight Dinner. It was a pleasure to share that evening with you. New Year's Eve brought an even larger crowd than anticipated, and I am truly grateful to everyone who came out to celebrate the start of the new year with us. I hope you thoroughly enjoyed the Prime Rib and the festivities.

Looking ahead to January, we are excited to host our Annual Crab Feed. I hope you will join us for this much-anticipated event as we celebrate with classic coastal favorites, including fresh Dungeness crab, our King Louis salad bar, and traditional clam chowder.

In early February, I will be introducing a new dinner

menu, along with a few thoughtful enhancements to our breakfast and grill offerings. As always, your feedback is important to us. If you have ideas, suggestions, or special requests, please feel free to share them—I always welcome hearing from our members.

Thank you for your continued support, and I look forward to serving you in the months ahead.

Warm regards, Chef Scroggins

GOLF COURSE SUPERINTENDENT

Danny Fielder
Golf Course Superintendent

TURF TALK

2025 closed out with quite a weather bang! The last two weeks of December brought significant challenges for the Agronomy Team, but they did an outstanding job cleaning up storm debris while continuing to provide the best possible playing conditions for our membership.

As we look ahead to 2026, we're excited to welcome a new Board and new committee members. And just like those groups, you can expect to see some new faces on the Agronomy Team as well. With the recent departure of Roma, our most seasoned irrigation technician, we are working diligently to fill that position before the demanding summer months arrive.

Each department head, along with myself, has set clear and concise goals for 2026. We've developed a strong plan for the Agronomy Team, and we believe that implementing this program will steadily improve course conditions throughout the year. One major initiative will be transitioning out the fescue areas around bunkers, starting with those located between the golfer and the putting surface.

Another exciting in-house project is the installation of new tee signage. Weather permitting, we'll begin by removing the old signs and then installing the new ones. Additionally, we plan to repair several damaged sections of cart paths and give our on-course restroom facilities an exterior facelift.

All in all, 2026 is shaping up to be an exciting and productive year for the Agronomy Team. Thank you for your continued support, and we look forward to seeing you out on the course!

QUESTION:

WHEN THE COURSE IS CLOSED ON MONDAYS, IS IT OKAY FOR SOME MEMBERS TO USE THE PUTTING GREENS AND THE DRIVING RANGE??

ANSWER:

THE ENTIRE COURSE IS CLOSED ON MONDAYS WHICH INCLUDES THE PUTTING GREENS AND DRIVING RANGE.

THE EXCEPTION WOULD BE WHEN WE ARE OPEN FOR 3-DAY HOLIDAYS.

MI-TEE NINERS

Erika Jimenez

Month Highlights from the Mi-Tee Niners!

A note from Captain Naomi Greenwood:

As we step into a new year I am looking forward to another season of great golf, great company and making lasting memories. For anyone unfamiliar with our Mi-Tee Niners, we play nine holes of competitive golf and are open to everyone. If you do not yet have a handicap, USGA membership is included in your Mi-Tee Niners dues, and you will be on your way to establishing a handicap in no time. The Niners also provide a great opportunity to meet lots of women at the club and find new friends to play golf with. Hope to see you out on the links.

For more information or sign-up contact: Naomi at (209) 406-4947

18-HOLE WOMEN'S GOLF CLUB

Catheryn Harty

CAPTAIN (Annette Schroen)

As we tee off into a brand-new year, we stand ready to embrace fresh opportunities, stronger connections, and plenty of memorable rounds together. Golf isn't just about the scorecard, it's about the friendships we build, the laughter on the fairways, and the confidence that comes from every swing.

Golf teaches us balance, perseverance, and joy in the small victories. It's a sport that mirrors life, sometimes challenging, often rewarding, and always better when shared with friends.

Let's commit to making 2026 a year of growth, laughter,

and unforgettable memories. Whether you're chasing birdies or simply enjoying the sunshine, every round is a chance to celebrate ourselves and each other.

Here's to new beginnings, stronger swings, and the wonderful women who make our group so special. Cheers to a fantastic year ahead!

TOURNAMENT (Naomi Greenwood)

January check-in is by 9:00 A.M., with tee off at 9:30 A.M.

I will be checking everyone in, in the ladies' lounge.

GOLF EVENTS & TIPS

Shea Rollins
Director of Golf

With 2025 being a year full of changes, I am excited to start 2026 with a full staff that is ready to serve our Spring Creek G&CC membership. We would like to thank all our members for their continued support of the Golf Shop!!!

I would like to take this opportunity to thank my Golf Shop staff. Bailey, Steven, and Nico have continued to provide our membership with exceptional customer service. They have also been working on their PGA bookwork to work towards their PGA certification. A thank you also goes out to our Cart Staff. Each member of the staff is here ready to help our membership with any needs they may have. Our goal, as a team, will be to continue to grow and further improve the service provided to our members and guests.

Upcoming Men's Club Events

2-Man Scramble

January 17th @ 9:00am – Member Only

This event is a 2-man Scramble format (handicaps-35% of the low index + 15% of the high index). The price is \$60 per person, which includes breakfast, lunch, and prizes.

President's Day/NCGA Fourball Qualifier

February 7th @ 9:00am – Member Only

This event is a 2-man Net Best Ball format. The price is \$65 per person, which includes breakfast, lunch, individual net payout, prizes and next round entry for the top three (3) qualifying teams.

Guest Passes

Each full golfing membership is given 6 guest passes at the beginning of the year complimentary, and you can purchase 6 additional guest passes for \$225 (\$37.50 per round). This is a great opportunity to get more of your friends and family out at a discounted rate. This offer ends on March 31st, 2026, so do not forget to purchase them. Any complimentary and purchased passes do expire at the end of 2026 and each golfing membership will start over with 6 complimentary passes in 2027.

Golf Shop Merchandise

Thank you to all members for their continued support of our Spring Creek G&CC Golf Shop. We had another great year and look forward to providing our membership with great quality products. We will be getting the Golf Shop stocked back up with new Spring 2026 items starting in February and March. If you need anything or want to know more about a product we don't carry, please ask your pros and we can order anything you are looking for.

***** The Golf Staff would like to thank our wonderful membership for a great 2025 and look forward to continuing to serve our membership in 2026!!! We hope everyone has a Happy New Year!!! *****

Shea Rollins
Director of Golf

BOARD MEETING MINUTES

MINUTES TO BE APPROVED AT THE NEXT BOARD MEETING

DATE:

November 25, 2025

PRESIDING OFFICER:

Bob Lee

DIRECTORS PRESENT:

Tom Bair, Tim Harris, Bob Lee, Hank Vander Veen, Mike Wiebe, Matt Windorski, Leo Zuber

PAST PRESIDENT PRESENT:

MANAGEMENT PRESENT: Stan Korich & Shea Rollins

INVITED STAFF PRESENT: Jennie Achterberg

MINUTES OF LAST MEETING

Motion made by Leo Zuber and seconded by Hank Vander Veen to approve Minutes from the November board meeting. Unanimously approved.

An award presentation was made to our retiring Irrigation Specialist, Romaldo Alarcon by our President Bob Lee for his 33 years of dedicated service to Spring Creek Golf & Country Club. He expressed his love for the members of Spring Creek. We wish him well.

A gavel plaque presentation was made to outgoing Club President Hank Vander Veen for his dedicated service to Spring Creek.

OPEN FORUM

DISCUSSION ITEMS: When a proposal is made and a vote is taken that will be approved with a modification, should it go back to the committee for approval and resubmission? It was agreed that the Board may make a slight change and proceed with a vote. Also, members should be notified of policy changes.

CORRESPONDENCE: None.

GENERAL MANAGER REPORT:

Stan Korich provided numbers for November, and he stated it was a rather good month. Of course, we did have some extraordinary, unexpected repair expenses such as for the boiler repair and HVAC above the lady's locker room. He thanked the membership for their patience during these repairs. It was noted that use of the CIP funds must go to a vote of the voting membership. So, a Capital Replacement Fund was added to the budget for 2026 that can be used specifically for planned refurbishment or needed replacement of existing equipment and furnishings based on their assigned useful life or present condition. Such to be funded by a newly segregated portion of the monthly dues assigned solely for this purpose. There will be guidelines on how this fund will be used and with an approval tier. Breakfast with Santa was successful with 320 in attendance. Happy Hour will be scheduled on Tuesdays beginning in January. Also, Bingo Night will start in January as well as many new planned member events. Nicole Garcia is doing a fine job with the Payroll & HR Administrative role. Her responsibilities may be expanded in the future. We will have a Master Calendar Development Meeting on January 8th. Our quarterly "new member" cocktail hour will be hosted on February 10th. A question was raised as to what the procedure is that we should follow when a change is going to be made that will alter the golf course in some way. It was generally understood that when a significant change (design change) or new addition is considered by Management for the Golf Course, such change must be passed through and supported by the appropriate committee(s) for recommendation to the Board.

Danny Fielder spoke on course-related issues. Black algae on certain greens were eliminated by venting and sand dusting in late November. This was a purely aesthetic problem. The fescue grass will be eliminated around the bunkers. He has put together a form identifying each bunker and the hours needed to remove and replace the fescue along with the labor costs. This work will be done in-house and among other cultural practices. Trip hazards on some of our cart paths have been identified and some panels need to be removed. Other areas will be ground down.

Still working with Don Pedro Pump to finalize the repair of our two irrigation pump motors. Aeration of several traffic areas inside the roughs is 85% complete at the time of this meeting. Danny and Stan have together met with our neighbors, the Bartons regarding wet season storm drainage. Staff recently cleared/tested Golf Course creek related culverts to assure proper water flow during rainstorms. He has been using a coyote deterrent to keep Canadian Geese away, but people fishing has pushed over many of the vials. Danny suggests that we line our lakes with fabric to help eliminate the loss of water and resolve the related need to pump more water on a daily basis into the lakes. Lining the lakes should also result in significant savings on our power bill. He also feels we may want to revisit allowing fishing on our premises. Minor Course damage has been repaired. He feels this damage was caused by someone fishing.

Shea Rollins reported that our new cart's Geo Fencing system has shown improved accuracy since antennas were installed but such does not meet with his expectations. The representative has continued working with Shea. A possible *next step* to fix this location accuracy problem is to install map video screens in each cart, which have a dual ban receiver. Shea thanked the membership for another successful Sip 'N Shop event.

PUBLIC COMMENT

Members attending the board meeting questioned and commented on the following issues: The new, added Capital Replacement Fund portion of the operating dues will be shared monthly by all membership types. There is no change in the number of golf carts we keep available for members to use. We have as many as our cart storage (barn) space allows.

COMMITTEES

The Board had the opportunity to ask Committee Chairs for explanations of any items in their minutes from their December meetings.

FINANCE: Proposal to accept the 2026 Budget was made by Leo Zuber and seconded by Tim Harris. Unanimously approved

GOLF SHOP/CARTS/SPORTS: None.

GREENS: None.

HOUSE/SOCIAL: It was noted that the Committee has been informed by Stan Korich on the importance of an Alcoholic Beverage Consumption Management Policy. He will provide a further revised draft for the next committee meeting.

Proposal to accept changing the "Cancellation of Reservation to Special Events Policy" to require a 48-hour notice (from 24-hour notice currently) to avoid a charge of 50% of the total event fee to the member was made by Tom Bair and seconded by Leo Zuber. Unanimously approved.

MEMBERSHIP/MARKETING: Proposal to accept two member applicants for Family Proprietary memberships, one member applicant for Social membership and one applicant for a "Significant Other" was made by Tom Bair and seconded by Leo Zuber. Unanimously approved.

Proposal to accept the change to the Leave of Absence (LOA) bylaw to include all golfing type memberships and a ballot to be sent out to the voting members was made by Leo Zuber and seconded by Mike Wiebe. Unanimously approved.

BUSINESS OPERATIONS: None.

LONG RANGE PLANNING: None.

Executive Session followed.

SEE YOU ON THE GREEN
